About SME Skills Upgrading Programme & Institute of Marketing Malaysia

SMEs SKILLS UPGRADING PROGRAMME (MARKETING)

The **SMEs** Skills Upgrading Programme is aimed at enhancing the marketing skills and capabilities of employees of SMEs in various industries.

Skills upgrading and retraining is vital to enhance the quality of the workforce in order to increase the efficiency of SMEs and adapting to the dynamic business environment.

The objectives are:

- To enhance knowledge of SMEs in managing business.
- To enhance marketing skills and capabilities of employees of SMEs.

A grant of 70% of the fees is allocated for Technical and Soft Skills training.

ABOUT INSTITUTE OF MARKETING MALAYSIA

The Institute of Marketing Malaysia (IMM) is the only registered institute in the country established for the purpose of serving the marketing fraternity in Malaysia. IMM is appointed as the **Professional Training Provider** for SMECorp Malaysia and the **Certified Training Provider** under PSMB/HRDF (HRDF claimable).

IMM organizes public seminars and conferences and have been delivering highly focused training solutions to its members throughout the country. Members have benefited through programs that are customized to specific objectives and requirement. Five-(5) main activities of IMM: • Training & Education Programs (SMECorp & Public programs) • Organizing World-Class Seminars/Talks & Guru Series • Publication of **MARKETEER**, the official publication of the Institute • Membership and • Social & Networking activities such as Visits & Sports activities.

To date, IMM has trained over 10,000 participants from various companies and organizations in the country ranging from different economic sectors and industries including Telecommunications, Banking Services, Electrical & Electronics, Food Industry, Plastic Products, Manufacturing, Retail & Wholesale, Professional Management Companies, Medical Supplies, Pharmaceutical, Service Providers and many more. IMM also works very closely with several local IPTA & IPTS on industrial linkage programmes for mutual benefits.
